

# CHOOSE YOUR CAMP THEME

You Have the flexibility to choose a **SUMMER CAMP THEME** for your child, for any week, but *camp lesson topics* are set by the local center to keep students challenged.

## LEGO ROBOTICS THEMES

Age appropriate Camp lesson topics, are offered for all Camp Themes and we do not repeat the same topic for a Student. Our **website has a list** of all the **Camp lesson topics**

## S.T.E.A.M THEMES

Kids have lots of fun, and learn while immersing themselves in projects they **build with their own hands**

## PROGRAMMING THEMES

The **MINECRAFT** Steaming-Gaming camp is quite popular, and so are the **Drone** programming, Ardurino and **Scratch** programming camps. Enter you Camp Theme Choice in the **Comments box** of the enrollment form
